PACKING LIST

CORE CAMPS

This packing list is for campers at Discovery Camp, Boys Camp or Girls Camp. Remember to pack conservatively as cabins have limited space!

BEFORE YOU ARRIVE

- ○ Check your camper's head for lice!
  Lice Policy: campmyw.com/health
- ○ Check out your camper's Camp Details PDF highlighting what cabin they are in and who their leaders are (emailed to you at 1:00 PM on Saturday - 1 day before you arrive).
  NEW FOR SUMMER 2023!
- ○ For campers taking the bus, check the date, location and time on your bus ticket (emailed to on Wednesday - 4 days before you arrive).
  Bus Details: campmyw.com/bus
- ○ For campers with medication, please review the Camper Medication Resource PDF outlining how we require medication to be packed, how much to bring and how it is distributed by our team.
  PDF Resource: campmyw.com/meds

PACKING LIST

CORE CAMPS

CAMP TIP: ELECTRONICS

Camp Mini-Yo-We is gleefully technology free! We want kids to spend time outdoors and connecting with others. Therefore we don't permit campers to have cell phones, laptops or music playing devices on Camp property.

CAMP TIP: CABIN MATE REQUESTS

We love when campers come with their friends! If you want your child in the same cabin as their friend this request should be made during registration, long before you arrive. We try our best to honour mutual requests. You will be emailed a Cabin Details PDF on Saturday (1 day before arrival), which you can check to see the cabin your child is in. Please direct any questions to your Site Director ASAP.

CAMP TIP: BEDWETTING

It is common for overnight campers to wet the bed while at Camp. If your child is prone to bedwetting or you believe they may wet the bed while away from home, we kindly request that you pack them enough pull-ups to wear at bedtime for the duration of their time at Camp. The use of pull-ups helps avoid messy and embarrassing situations for our campers.Our Cabin Leaders will ensure discretion with regards to the campers who wear pull-ups.

PACKING TIP: SHOES

The most important thing you need for activities is CLOSED TOE SHOES! Without these you can't participate in many of the activities and games that Camp has to offer.

PACKING TIP: CANOE TRIPS

Going on a canoe trip requires a completely different packing list! If you have registerd your child for the Voyageur Canoe Trip you can find a packing list specific to that program at www.campmyw.com/pack.

PACKING TIP: ZIPLOCK BAGS

If your child has a hard time picking outfits, pack their clothes into ziplock bags and label them for each day of the week!

PACKING TIP: FUN ITEMS

Consider packing a non-food item that would be fun for the entire cabin to enjoy while your child is at Camp. A pack of glow sticks, balloons or stickers goes a long way!
